1949 Cadillac Fleetwood - Sedan a Black & solid Survivor drives

1949 Cadillac Fleetwood sedan- LHDA solid Survivor Fleetwood from Washington State USA This solid car - Runs and drives. Been parked since in dry storage since 1969. Black paint Low Miles is only 75k Power seat and Power windows...Talk about a "time-capsule", this west coast survivor was stored in 1969 and forgotten. This car is rust free and very clean underneath.- Mostly original paint, original interior, and driveline... This is a non-restored car that is 100% complete, intact, and in amazing condition. - Runs and lot drives.- Nice interior, done in a cloth/ leather pattern. Perfect headliner.- Very nice glass and mouldings. This car can be driven now and restored at a later date. - When was the last time you saw an original still in "service" from this era? - A VERY COOOOOOOOL "luxury liner".- Power windows and seat.- Auto trans.- First year for the overhead valve 331 V-8. - NO DISSAPPOINTMENTS! - A strong 3 1/2 rating on a scale of 1-6.- Original owners "protecto-plate" and dealer ID intact under hood.....- Serious collectors please...more pics coming and on request...- This running and driving car can be exported...at your cost...or about \$1,500- more to the UK port...In a shared container for 5 weeks...Price:\$14,950- USD or American dollars...very Firm...
