## 1997 DeVille Concours 116,000 miles

Great high line Cadillac. vinyl top is showing wear, leather is good, fairly low miles for the year. great tires, good glass, cold air, upgraded sound system, most options, (no sunroof) not perfect but looks good, will drive anywhere. I can drive to you if not too far from Oregon/Washington. \$42,000 car when new. May trade for riviera 1963-1967 or boatail(1971-1973)
