<http://www.lundcadillac.com/usedcars.cfm>

The Cadillac DTS is a full-size luxury car with full-size American power and a warm, spacious interior. It's big, powerful and luxurious, and offers the security and peace of mind expected from a Cadillac. Though its styling is restrained, the DTS is loaded with technology. Fortunately, you don't have to study the owner's manual to make the DTS do its job. This is a rational luxury car, easy to operate in. The front-wheel-Smooth and powerful, the Cadillac DTS glides over miles and miles of open road in supreme comfort. Maybe that's expected, but the DTS also handles surprisingly well for such a big car, making it a satisfying drive when it's time to turn the steering wheel. drive DTS comes with a 4.6-liter V8 engine that develops 275 horsepower. addition to being large and luxurious. Own a piece of history as this is the last of the big cadillacs. Call Mike Martin at 480-206-3753.
