Cadillac DTS Luxury Collection

The Cadillac DTS is a full-size luxury sedan that combines classic styling, impeccable road manners and a spacious interior, all contributing to its reputation as a comfortable long distance cruiser. The front-wheel drive DTS is powered by GM's Northstar 4.6-liter V8 engine, available in both 275-hp and 292-hp versions and mated to a four-speed automatic transmission. It can be configured to seat up to six people, with premium trim-dependent amenities that include alloy wheels, Xenon headlights, a power sunroof, supple leather upholstery, heated and cooled front seats, automatic climate control, satellite radio, Bluetooth wireless connectivity, voice-activated navigation and a DVD player. An exclusive Platinum Collection trim is also offered, boasting an adaptive suspension with Magnetic Ride Control, unique chrome wheels and grille, upgraded interior trim elements and exclusive wood accents. Standard safety equipment includes Stabilitrak electronic stability control with traction control, anti-lock disc brakes with brake assist, front side-impact airbags, overhead curtain airbags for front and rear passengers, a tire pressure monitor and OnStar service. An available Driver Awareness Package offers enhanced safety with Lane Departure Warning and Side Blind Zone Alert systems. Ask for Mike Martin 888-676-7377. Lund Cadillac has built its reputation over the years for selling the highest quality vehicles. Whether you're shopping for a luxury car, sports car, SUV, 4x4 or van -- we have a great selection that's second to none. Our job quite simply is make sure you're 100% completely satisfied -- before and after the sale. Call Mike Martin 480-206-3753
