2003 SEVILLE STS

2003 SEVILLE STS

I bought this for my Dad however he does not want a car with all the "Bells & Whistles" He likes standard shift 2 doors. The car runs great There is a small amount of repair needed to the rear bumper and rear quarter area. My picture is too big to upload, don't know how to edit so please call and I can e-mail pics. New bumper cover is \$ 399, used is \$350, locally. EVERYTHING else works properly. Please call 843-337-8665 better than using e-mail. Prefer local sale or YOU make arrangements for shipping.
