1967 Cadillac Sedan Deville #40ORD

Stock #40-ORD 1967 Cadillac Sedan Deville for sale in our Orlando Showroom. This beauty has just over 93,000 actual miles and looks fantastic! White exterior with pinstripe, black vinyl roof, Cadillac hub caps, white wall tires, and the fins that made these cars famous all add to the stunning looks of this Caddy for sale. Loaded up with options, this Cadillac for sale competes with even today's vehicles with options including: A/C, AM/FM radio, cruise control, hub caps, power brakes, power steering, power seats, power windows, power locks, seat belts, leather interior, radial white wall tires, and vinyl roof. New parts include the radiator and battery. The A/C blows cold, all windows work like they should, factory AM/FM radio works well, and the power antenna works properly. The tires are in very good shape and this Cadillac comes with shop manuals, owner's manual, original jack and spare tire, and two sets of keys. One repaint back to the correct Grecian White has been performed on this 4 door pillarless hardtop. If you are looking for a nice Cadillac with a ton of options and a ton of style, look no further! Located in our Orlando Showroom, this 67 Cadillac for sale can be seen including HD pictures and videos at www.GatewayClassicCars.com, or call 407-771-2000 for additional information.
