1962 Cadillac Convertible

1962 Cadillac Convertible

Very nice original 1962 Cadillac Convertible. It has had some replacement parts over the years. Convertible top, some carpet, some replacement interior parts, dual exhaust are all recent. Frame on restoration would be a good term. Frame and underbody has been cleaned and painted. There is no evidence of rust or accident damage. Just Appraised at $34,900dsmith@peterbilt.bc.ca or 604-307-2711
